---

## PROJECTS

---

**Quadrio** – *A social networking music platform for college students*

[AppStore](#) | [Website](#)

- React Native, Amazon Cognito, Amazon S3, Amazon Cloudfront, Stream for messages and notifications
- Utilizes CDN, caching, local storage, and Rehydrate to optimize speed
- Use Branch for deep linking, Bugsnag and Segment for analytics, Lottie and Animated library for animations
- Led team to release weekly by leveraging Jira and Agile Development

**Detective** – *A mobile rendition of the game Code Names*

[AppStore](#) | [PlayStore](#)

- React Native, Expo, Firebase, Admob, Facebook Ads, realtime interactions for all players
- Fully integrated for both iOS and Android

**Pijns** – *A social networking app for the church community*

[GitHub](#)

- React Native, Expo, Firebase, Google Cloud Functions, Facebook login

**Eatery** – *A restaurant review web application modeled after Yelp*

[Live](#) | [GitHub](#)

- Ruby on Rails, PostgreSQL, React Redux, RESTful routes, password encryption, Google Maps

**Wall-E Ball** – *A web app game similar to Doodle Jump*

[Live](#) | [GitHub](#)

- HTML5, Canvas, JavaScript

## WORK EXPERIENCE

---

**Quadrio**

September 2019 – Present

*Lead React Native Developer*

*New York, NY*

- Built app from the ground up as the first mobile developer hired; now managing a small team
- Work with product team and upper management to create roadmap and plan features for mobile
- Review work from team members and manage App Store submissions while contributing my own technical work

**Lifion by ADP**

May 2018 – Present

*Application Developer*

*New York, NY*

- Built HR applications to allow clients to submit company federal reports, including EEO, Vets, ACA, and OSHA
- Worked with JavaScript, React Native, React-Redux, HTML, CSS, SQL, Ruby On Rails, Jira, and Agile Development

**Citizens Bank / Key Bank**

September 2014 – September 2017

*Licensed Relationship Manager / Financial Advisor*

*Seattle, WA*

- Work with clients to plan retirement and invest assets; grew business \$40M in one year; top regional performer

**Cornerstone Church of Boston**

September 2008 – May 2015

*Program Director / Pastor*

*Boston, MA*

- Coordinate across 10 colleges; manage staff; develop leaders; cast vision; public speaking; life coaching and counseling

## EDUCATION

---

**App Academy (New York, NY)** – *1000+ hour intensive coding bootcamp with 5% acceptance rate*

*November 2017*

**Gordon Conwell Theological Seminary (Boston, MA)** – *Master of Divinity*

*May 2011*

**University of Washington (Seattle, WA)** – *BA in Psychology & BA in Philosophy*

*June 2005*
